

Attention All Little Pack Clubs

- Effective January 1, 2022 Little Pack field entry fees for all club, State and Specialty Hunts will be a minimum of \$20.00 and a maximum entry fee of \$25.00. Entry fees for all Big Five Hunts and the World Hunt will be \$35. There will be NO rate changes for bench entries at any hunt.

Entry fees have not changed in over 20 years and the decision was not made lightly to make this change. The increase in fees per dog entered into a hunt will be broken down as following: \$1.00 toward the youth program, \$2.00 towards the judge's fund and the remaining \$2.00 is to be kept by the club. The NKC per dog fee will remain the same at \$2.00. We recognize the need for the clubs to have the additional support due to cost of hosting the hunts (overhead, awards, paying judges, etc.)

The following is how the fees that you send with hunt results will now be – each club will still only be sending 2 checks with results.

Check #1: To NKC

NKC: \$2 per field entry

NKC: \$1 per bench entry

World Hunt Judge Fund: \$2 per dog

Youth Program: \$1 per dog

Total to NKC: \$6.00 per dog with Bench Entry, \$5.00 per dog without Bench Entry

(Please include all other services within this check, for example: new registrations, measurement cards, transfers, and club supplies when sending in hunt results)

Check #2: To NKC/LP

ARHA LP Fund

\$1 per field entry

\$1.50 per field entry (Big Five Hunt)

\$2.00 per field entry (World Hunt)

- Hunt results are due within 15 days from the date of the hunt. Failure to do so will result in a \$50 penalty charged to the club. Continued failure to submit result timely could result in charter being pulled.
- Effective January 1st 2022 we will return to the 30-day notice to schedule a field trial, resulting in the hunt listed on the ARHA/NKC website only. For a hunt date to be listed in the Rabbit Hunter Magazine in addition to the ARHA/NKC website, those dates must be scheduled 60 days prior to the hunt date.
- Currently, we have Clubs that are operating out of the same Club House. We are giving those clubs 1 year to find a location according to the current rules.
- As we all know the importance of our judges and youth to the future of our sport, we strive to make changes and updates to ensure the clubs that represent ARHA/NKC Little Pack have the support they need to thrive. We encourage each club to consider starting a youth program or a junior judge program within your members.
